**Sub:** Regarding treatment of beneficiaries with mismatch of name in eligibility documents and NFSA/ SFSS database under Biju Swasthya Kalyan Yojana

**Madam/Sir,**

It has come to our notice that sometimes there is mismatch in the name of beneficiaries in the eligibility document and database of NFSA/SFSS. As a result, the beneficiaries face problems at the time of admission in empanelled hospitals. For seamless transaction, it is hereby instructed that even if there is a mismatch in the name of the beneficiary, if other family/ address details match, and the Aadhaar-based authentication of the beneficiary is successful through POS machine /IRIS scanning/OTP, the treatment should be started without delay after due procedures of blocking and admission. Any deviation in this regard will be viewed seriously.

Yours faithfully
